

Summer School Information

*****Please note NEW changes to the registration process!*****

In an effort to streamline the registration process, we have reduced the number of steps necessary for registration.

summerteacher@puc.edu / **URL LINK:** www.puc.edu/summer-teacher

Please read carefully to ensure that you are able to register successfully.

- Due to the intensive nature of these courses and seminars, it is recommended that you register for only one course at a time. However, it is not mandatory. You may not sign up for courses that overlap in time.
- **HYBRID CLASSES** – These are classes that take place at **both** PUC **and** online; usually the first half of a class is at PUC and the second half is online. The Date/Time column will show the detailed information about the exact schedule.
- **In order to access the internet at PUC** you will need to use your PUC email address and password. See the Education Summer School site for details.
- If you do not qualify for a tuition waiver, check the [website](#) for tuition costs.
- Failure to let Records and Education know you are dropping a class will affect your grade.
- Any extra fees for classes and workshops, including the \$75 technology fee **per** online class, are not covered by your conference. **Technology fees for online classes as well as any materials fees, etc. for classes will be automatically charged to your account upon registration.** Check the schedule for information about fees for workshops and classes.
- All of the textbooks for classes are available online from the [PUC Bookstore](#) website. However, since the number of textbooks available is based on past enrollment, it is important to enroll early in order to be sure of obtaining a textbook. More textbooks will be ordered as needed, if there is enough time before class begins.

How to sign up for classes:

- 1) Fill out the registration form at www.puc.edu/summer-teacher.
 - a. You will need to have ready the course prefix, number, title, and number of credits for each class you wish to register for. A list of summer classes is available on the next three pages for your convenience
